

# Winter 2020's hot attraction

The activity takes place inside closed rooms and halls

**The activity is suitable for up to 120 participants in one round.**

**Very suitable for organizations, groups and companies and families who come together.**

**There is a minimum charge of 15 participants.**

**The activity takes place in all weather conditions.**

**Duration of the entire experience – two hours and a quarter.**

**The activity is also adapted to the English language .if necessary**

**So, what happens in the fort?**

**Winter activity consolidates, fun, content and treats.**

**Upon your arrival at the fort-  
A warm reception, in a closed hall, which includes:**

### **Yogurt**

**A rich cylindrical yogurt stands with delightful side dishes**

### **worm corn flour drink**

**Coconut, peanuts, cinnamon**

### **Beverages**

**cappirina, hot and cold drinking stand,  
tea infusions, apple cider**

### **Extras**

**Nuts and dates, lotus cookies and an apple curling stand**

**\* It is possible to add refreshments for reception - the customer is responsible.**

**minutes of a challenging game in a closed and 60  
.indoor hall**

**You are wandering among the ancient halls of the Yehiam Fortress in the  
Western Galilee, and suddenly - a phone call.**

**On the other side of the line is none other than Daher al-Omar, who was  
ruler of Galilee from the 18th century.**

**Why does all this good happen to you?**

**That bold ruler was murdered by his servants, and now his spirit is float-  
ing around the fortress. Unfortunately, this is not a friendly spirit, and it  
will try to keep you at all costs from escaping the fortress.**

**To do this, you will have to solve puzzles, cooperate with your group  
members and primarily to think in an original and creative way.**

**During the game, the participants encounter actor Tomer Sharon, who  
plays a significant character in the story, using videos and audio clips.**

**The puzzles themselves are varied, and include music,  
puzzles, and surprising electronics tricks.**

## **A rich and enjoyable tour of the walls of the fortress**

## **Sweet ending on the fort**

Fruit, magnum ice cream, red wine and white wine,  
cava and a unique quality chocolate.

**All the treats are served in a rich and pampering manner :-)**

\*Alcohol will be substituted for children

## Full experience cost

The game takes about an hour, but the general experience, which lasts about two hours and a quarter, includes a rich reception, a historic tour of the fortress and a dessert of wine, chocolate and other treats on an observation deck overlooking the Galilee.
